

President's Reception of Overseas Participants

Network with JSAP!

Researchers and students from overseas attending the 76th JSAP Autumn Meeting at Nagoya Congress Center are invited to join the directors of the JSAP to share and exchange ideas about the activities of the Japan Society of Applied Physics.

This unique and informal gathering will include light refreshments and be held at Restaurant "Pastel" in the Nagoya Congress Center from 18:00 to 20:00 on 14 September 2015.

The reception is an excellent opportunity for overseas researchers to network and directly express their opinions to JSAP directors about the annual conferences, publications, and other activities of the JSAP.

The reception held at the JSAP Spring Meeting in March 2015.

The highlight of the gathering was the surprise appearance of 2014 Noble Laureates Shuji Nakamura and Hiroshi Amano.

Launch of the "JSAP International Members Chapter (JIMeC)".

One of the highlights of the Nagoya reception will be a short ceremony marking the launch of the 'JSAP International Members Chapter (JIMeC).

Date : Sept. 14 (Mon.) 6:00 pm - 8:00 pm

Location : Restaurant "Pastel", 7F Bldg. 1, Nagoya Congress Center
