## Possibility of Change of Meeting Format

The meeting will go fully online on the following condition.

- 1) The state of emergency or the quasi-emergency measure is in effect in Tokyo and the three neighboring areas as of February 17 (Fri.)
- 2) Sophia University decides they cannot rent their campus for the meeting as of February 17 (Fri.)

\*The meeting might go fully online when emergencies such as a steep spread of the COVID-19 occur.

\*In case that the state of emergency is declared for other prefectures, we will ask those living and working in the prefectures concerned to refrain from attending onsite.

If the meeting goes fully online, we will organize the meeting as follows.

- The dates and program will not be changed.
- Oral sessions will be presented live via Zoom meeting.
- Poster speakers will give a short presentation (approx. 2-3 minutes per person) via Zoom meeting, then have Q&A in a Zoom breakout room allocated to each speaker.
