

Join APS and *PRX Energy*

For an exclusive lunch discussion with PRX Energy Associate Editor Yen-Hung Lin, Hong Kong University of Science and Technology, Hong Kong

Sunday, 24 March | 12:10 – 12:50pm
Room 12J (Building No. 1)

Yen-Hung Lin will discuss publishing energy research in the Physical Review journals, including *PRX Energy*, APS's new, highly selective, Open Access journal dedicated to multidisciplinary research on energy science and technology. APS is covering all article publication charges for manuscripts submitted to *PRX Energy* for all of 2024. ***PRX Energy* is free to publish for a limited time, always free to read.**

Yen-Hung Lin, Assistant Professor of Electronic and Computer Engineering, Hong Kong University of Science and Technology

LEARN PUBLISHING TIPS that will help you write effective papers, improve readability, and successfully maneuver peer review.
